This is the Selling Season! Push These Balloon Jacks!

Now is the time when everybody is using his car—and now is the time to sell balloon jacks to balloon tire users.

Here is a good sales tip for you: Most of the cars factory equipped with balloon tires are not equipped with balloon jacks!

What could be easier for you than to sell these owners easy-working Reliable Balloon Tire Jacks? The long handle, double screw construction and maximum extended height with minimum starting height, are features which will make sales easy. Try it and see!

Any jobber can supply you with the No. 7 and No. 15 as well as the No. 12 for heavy pneumatic tired trucks and the No. 18 for all types of buses.
